

School of Informatics, University of Edinburgh

HASE Academic Licence Agreement

Please return one copy of this document to the Institute for Computing System Architecture (ICSA), at the address below and keep one copy for your records.

I, the licensee, agree on behalf of my employing organisation, to the conditions below in respect of the HASE software supplied by the University of Edinburgh.

Signed: _____ Date: _____

Name(printed): _____

Title: _____

Organisation: _____

Address: _____

Telephone: _____ Electronic Mail: _____

Conditions of Licence:

1. Title to and copyright of HASE remains with the University of Edinburgh.
2. The licensee will not pass HASE to anyone outside his/her organisation.
3. The University of Edinburgh makes no representations or warranties of any kind, either express or implied, as to any matter whatsoever, including (but not limited to) implied warranties of merchantability or fitness for any particular purpose or that the use of HASE will give any particular results or will not infringe any intellectual property rights of a third party. In acquiring or using HASE in any way, the licensee:-

acknowledges that HASE may be experimental or still under development and may not be free from bugs or defects; licensees are nevertheless encouraged to report to the ICSA any problems with or suggestions for improvement to HASE.

agrees that the University of Edinburgh shall not be held liable in respect of any claim by the licensee (or by any third party with whom the licensee may be acting, or to whom the licensee may be supplying services of any kind, in connection with HASE) arising from or on account of use of HASE, regardless of the form of action, or basis of any claim, including negligence, except to the extent that such liability is unavoidable at law.

4. The licensee may modify the supplied HASE software on condition that any significant changes are notified to the ICSA and made available to the ICSA such that they may be incorporated within future releases of HASE and licenced under the conditions of this licence agreement. Licensees are strongly advised to consult the ICSA *before* starting such work in order to avoid duplication and to assess the feasibility of the work. The licensee undertakes to use HASE only for internal, non-commercial, non-profit educational and research purposes.
5. Licensees will acknowledge the ICSA and the University of Edinburgh as the designers of HASE and implementors of this implementation in any relevant document or publication.
